Appendix 1

Dear all,

**DAMAGE 4
BURGLARY 1
DRUGS 1
SEXUAL 1
THEFT 3
VIOLENCE 2**

TOTAL 12 (14 during December 2012)

As you can see from above there were 12 crimes reported across the ward in December compared to 14 during the same period last year.

The burglary relates to an attempted break in at a premises on the A64 at the start of December which may be related to the similar incidents reported in late November.

There are no significant patterns to the offences and the level of recorded crime remains very low.

The team have been concentrating on crime prevention, particularly in relation to burglaries and cycle thefts, which have been an issue across the City of York but not to date in your ward.

I would like to wish you all a Happy New Year and hope to continue with the relationship we have had in the coming year.

Regards
Jimmy
